OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. The English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, I-A, II, III and V only, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Such subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2-4-0 per annum will have Parts I, I-A, II, III and V only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

OFFICIAL PAPERS.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Food Situation for the week ending 20th March 1920.

Brief abstract of the special reports regarding the Food Situation for the week ending 20th March 1920.

Bangalore City.—During the week under report, 285 carts of ragi and 34 carts of paddy came into the bazaar as against 227 carts of ragi and 24 carts of paddy in the previous week.

The price of ragi ranged from Rs. 73 to Rs. 83 per cart during the week against Rs. 74 to Rs. 84 per cart in the previous week. The price of ragi is coming down owing to new ragi coming into the bazaar.

There is sufficient stock of rice and ragi in the bazaar for consumers to buy.

The Municipal Depot and the three Test Depots are selling Rangoon rice to the poor. The importers are also selling rice to the public at their shops.

Mysore City.—There is nothing to report.

Bangalore District.—There was no rain during the week. The standing crops of sugarcane, *Vaisakhi* paddy and coriander are in good condition.

The supply of food grains to the markets has improved and there is no marked deficiency anywhere. The prices are showing a tendency to fall. Ragi is selling at 7 to 8 seers a rupee and in some places 9 seers are quoted. Burma rice is Co-operative Societies in selling at 4½ to 4¾ seers and local rice at 3½ to 4 seers. Arrangements have been made to sell Burma rice from Taluk Depots wherever this measure is called for.

Mysore District.—There is practically no change though there are some slight variations in the price of ragi.

At the Chamrajnagar shandies, ragi sold at Rs. 11½ to Rs. 12 a palla, while at Terkanambi shandi, it was selling at Rs. 9 and Rs 9½. At Nagamangala shandi, ragi was sold at 8½ seers per rupee.

Tumkur District.—The situation remains unchanged. The price of ragi ranges from Rs. 70 to Rs. 75 a cart-load of 640 seers, and that of paddy between Rs. 75 and Rs. 80. Burma rice is being sold at Tumkur, Gubbi, Tiptur, Turuvekere, Maddagiri and Pavagada.

Kolar District.—During the week ragi was sold at 7 to 7½ seers and local rice at 4 seers per rupee.

The January allotment of Burma rice could not be sold at more than 4½ seers per rupee. It might be possible to sell the February allotment which is under distribution at 5 seers per rupee.

Hassan District.—The markets were fairly well supplied with rice and ragi. There was an improvement in the supply of ragi to the santes, which is due to the raiyats having completed its harvest. Rice and paddy continued to be exported from important centres to Bangalore and other places.

Standing crops, *viz*, *Kar* paddy and sugar-cane are in a good condition.

Prices still continue to be high but the price of ragi shows a tendency to go down.

The general situation is good for the present.

Shimoga District.—There has been no material change in the food situation in the district.

Kadur District.—All the markets were well supplied with food stuffs, but their prices continued to be high. In the taluks of Kadur and Mudgere, ragi was sold at 10 and 7½ seers a rupee as against 9 and 6½ seers, respectively, in the last week. At Narasimharajapura rice was sold at 5 seers and ragi at 7 seers a rupee as against 5½ and 8 seers a rupee respectively in the previous week.

The Amildar of Mudgere reports that a large quantity of paddy is being exported out of his taluk towards Chikmagalur and Belur.

Chitaldrug District.—There is no material change in the situation during the week under report. The prices of ragi and rice remain the same as in last week. Horse gram has gone down in price and is selling at 10 seers a rupee.

General (By Food Controller).—There has been no material change in the situation except that the price of horse gram has gone down slightly in parts of the Chitaldrug District and that of ragi in parts of the Mysore and Kadur Districts. In the markets of Tumkur Town and Bangalore City the price of ragi has remained steady. The price of paddy is also showing a slightly downward tendency.

The Burma rice imported against February allotment has almost completely been despatched to the several stations. A portion of the March allotment of Burma rice has been shipped and is expected to arrive at Madras on the 25th instant.

The sale of Delta old rice at the Provincial Grain Depot to individuals for *bona fide* domestic consumption is being continued.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. R. Dis 215-19, *dated* 29*th March* 1920.

Notice is hereby given that the exclusive privilege of selling, during the twelve months beginning 1st July 1920 and ending 30th June 1921, country liquors, intoxicating drugs, and opium in the several shops licensed for the purpose and situated in the several taluks of the Mysore State will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or other officers specially empowered by the Deputy Commissioners of the Districts concerned for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarter places mentioned in the schedule annexed, subject to the conditions hereinafter set forth :—

Note.—If the sales are not completed on the dates fixed they will be continued on the next following days, close holidays excepted.

2. A complete list of all the shops for which licenses will be granted and a copy of the general and special conditions applicable to all vend licenses under the Excise and Opium laws as prescribed by Government in their Notification No. 9208—Ex. 14-18-9, dated 13th February 1920, and published in the *Mysore Gazette* are available for the information of intending bidders in the Range and Taluk Offices.

CONDITION OF AUCTION SALE.

I. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

II. The shops will be put up to auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate or kan may be sold to the Planter or kan-holder for any fixed amount not less than Rs. 36 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

III. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

IV. No person will be allowed to bid for another unless he holds a power-of-attorney, from him.

V. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or in arrears to Government or to prevent arrangements to the detriment of Government interests, or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty

to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

VIII. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

IX. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction or by tender or otherwise at the discretion of the Deputy Commissioner later on.

X. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition II will make up one month's khist for each shop. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of foreigners, the initial deposit together with the further deposit may be raised equal to two months' khist. Successful bidders shall be granted proper receipts for the amount deposited by them.

XI. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns.

XII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser, if the amount secured exceeds Rs. 1,000.

XIII. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation of the sales.

XIV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop promptly be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XV. Re-sales effected under condition XV will be at the risk of the defaulting bidder who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of

* Deposits may be in cash or other approved security.

otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVI. The deposit referred to in condition XI or condition XII, as the case may be, will be taken as security for the due performance of the conditions of the license. It will be returned to the licensee after the expiry of the period of his lease and after adjustment from it of any dues payable by him to Government.

XVII. The purchaser shall adhere to all the provisions of the Excise and Opium laws which are in force or which may come into force and of the rules which have been or may from time to time be framed either by Government or by the Excise Commissioner or by any competent authority.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. The English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, I-A, II, III and V only, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Such subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2-4-0 per annum will have Parts I, I-A, II, III and V only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICIAL PAPERS.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Food Situation for the week ending 27th March 1920.

Brief abstract of the special reports regarding the Food Situation for the week ending 27th March 1920.

Bangalore City.—During the week under report, 304 carts of ragi and 53 carts of paddy came into the bazaar as against 285 carts of ragi and 34 carts of paddy in the previous week.

The price of ragi ranged from Rs. 74 to Rs. 85 per cart during the week against Rs. 73 to Rs. 83 per cart in the previous week. The price of ragi is coming down owing to new ragi coming into the bazaar.

There is sufficient stock of ragi and rice in the bazaar for consumers to buy.

The Municipal Depot and the three Test Depots are selling Rangoon rice to the poor. The importers are also selling rice to the public at their Depots.

Mysore City.—There is no change in the situation.

Bangalore District.—There has been no rain during the week. *Vaisakhi* paddy is in a good condition and sugar-cane, is being planted.

The price of ragi has improved largely except at Channapatna and Closepet whence ragi is being taken in exchange for paddy from Mysore. The price of ragi ranged from 8 to 9 seers a rupee while at Channapatna it was 6½ seers and at Closepet 7 to 7½ seers.

The price of local rice ranged from 3½ to 4 seers a rupee and Burma rice from 4½ to 4¾ seers. There is sufficient quantity of Burma rice on hand and instructions have been issued to the Amildars to sell freely. The supply of ragi to the markets is fairly satisfactory.

Mysore District.—There is no change. Markets are well supplied. Prices are high and are likely to remain so for an indefinite period.

People have no difficulty in obtaining provisions.

Tumkur District.—The situation remains unchanged. The price of ragi ranges from Rs. 70 to Rs. 75 for a cart-load of 640 seers, and that of paddy between Rs. 75 and Rs. 80. Burma rice is being sold in the Depots at Tumkur, Gubbi, Tiptur, Turuvekere, Maddagiri and Pavagada.

Kolar District.—The prices of food grains are almost stationary.

The demand for Burma rice is somewhat slack now owing to the threshing operations, but is likely to increase as soon as this season is over.

The Amildars of the taluks where old stocks of Burma rice are available, have been asked to dispose of the stock to *bona-fide* consumers at 5¼ seers a rupee as the same is reported to be deteriorating.

Hassan District.—The markets were fairly well supplied with rice and ragi. There was an improvement in the supply of ragi to santes. Rice and paddy continued to be exported from important centres in the district to Bangalore and other places in the State.

Standing crops such as *Kar* paddy and sugar-cane are in a good condition.

Prices still continue to be high, but the price of ragi shows a tendency to go down.

The prospects of the season are generally good for the present.

Shimoga District.—No change in the situation.

Kadur District.—All the markets in the district were well supplied with food stuffs, but their prices continued to be high. Rice was sold at Chikmagalur at 4 to 5½ seers a rupee, as against 4½ seers in the last week. At Chikmagalur and Tarikere, ragi was sold at 10 seers a rupee as against 9 and 8-9 seers respectively in the previous week. At Mudgere ragi was sold at 8½ to 9 seers instead of 7½ seers. There appears to be no perceptible change in the situation.

Chitaldrug District.—There has been no material change in the food situation during the week under report. The prices are stationary.

Government grain depots have been opened in Davangere, Harihar, Holalkere, Hosdurga and Molakalmuru Taluks during the month.

General (By Food Controller).—There is no appreciable change in the situation but prices show a general tendency to go down. The price of ragi has slightly fallen in the Kadur District and in parts of the Shimoga and Chitaldrug Districts. The price of rice has also gone down to a small extent in the Hassan and Shimoga Districts. The supply of ragi and paddy in the markets of Bangalore City and Tumkur town are increasing appreciably, but the prices have remained almost the same as in the last week. In the Bangalore City the price of Mysore rice has gone down by about 2 rupees a palla and that of Bengal-gram about 5 rupees a palla. The price of tuvar dhal is also somewhat easier.

Two shipments of Burma rice imported towards March allotment have arrived in Madras on the 25th and 30th March. One more shipment which completes the March allotment is expected to arrive in Madras on the 2nd April. Supply of Burma rice is now ample.

In addition to sales through Municipal Agency, sales of Burma rice for *bona-fide* domestic consumption not exceeding two bags in each individual case have been ordered to be made from the Provincial Grain Depot, Bangalore. Sale of Delta rice in the Provincial Grain Depot also continues.

EXCISE DEPARTMENT.

Notification No. R. 11723—*Ex.* 14-18-11, *dated 7th April* 1920.

Under Section 29 of the Mysore Excise Regulation, No. V of 1901, and in exercise of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore, are pleased to make the following Rules in supersession of all existing rules on the subject of the disposal of the exclusive privilege of selling toddy in shops or groups of shops and the grant of licenses for sale, and for the tapping of toddy-producing trees, etc.

Part I.

1. The exclusive privilege of selling toddy in each shop or group of shops, for each year or any other period that may be specially fixed by Government, shall be disposed of by sale by public auction or disposed of in such other manner as the Government may specially direct in that behalf, subject to the conditions laid down in the Rules framed by Government in this behalf. Toddy shops in alienated villages shall be separately sold, and the amounts connected therewith shall be shown in the accounts under a distinct head.

Exceptions.

1. Coffee planters may be allowed to open an estate shop subject to a minimum shop rent of Rs. 3 per month.

2. Kanholders may also be allowed to open shops in their holding on the same terms, provided they show to the satisfaction of the Deputy Commissioner that they have a legitimate demand for such shops for the use of their coolies and dependents.

NOTE.—The estate or kan licensee is prohibited from selling toddy outside such estate or kan or to persons who live outside the same.

II. The general terms and special conditions of sale and the issue of the licenses shal be such as Government may, from time to time, prescribe.

III. The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

IV. For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. If the Deputy Commissioner is satisfied that the said (hiduvali) trees should not be tapped, he is competent to withdraw the tree-tapping license and the licensee affected thereby shall not claim any damages therefor. In the case of trees on Government unoccupied lands included in the date reserve list and reserved for future use, the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. The number of trees shown in the assignment lists is only approximate and is subject to alteration at the time of presenting application for trees. The District Excise Officer may approve all such alterations on the recommendation of the Range Inspectors. The licensee may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same in the following cases:—

(*a*) Where there is an unusual demand for toddy in a shop in consequence of a festival or for any other valid reason to be recorded by the Range Inspector.

(*b*) Where trees have ceased to yield during the last few days of a lease.

(*c*) Where toddy drawn by one shop-keeper at the end of the lease cannot reach the shop before the first few days of the new lease.

V. No toddy in excess of the produce of trees licensed for that shop and covered by a transport permit shall be transported to or kept in the shop or offered for sale or sold.

VI. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

VII. The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

VIII. Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

IX. The distillation of spirit from toddy is absolutely prohibited.

X. If the licensee of a group of shops wishes to transport the toddy intended for his several shops *in one consignment*, he should obtain a depot license and carry the toddy to this depot with the usual permit. The toddy intended for each shop shall be distributed in accordance with the permits granted for transport from the depot to the shop. The permits issued with the toddy transported shall be subject to examination and check by the officer authorised in this behalf.

XI. Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited.

XII. The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates which may be fixed and notified from time to time. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

XIII. The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

XIV. No water shall be mixed or allowed to be mixed at any time or place with the toddy drawn under the license and it shall not otherwise be adulterated.

XV. The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application :—
   (*a*) of licensed toddy shop-keepers or of their duly authorised agents ;
   (*b*) of toddy shop-keepers or renters in the Madras Presidency; and
   (*c*) of malnad land-holders free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. Fl. 7473-83—S. R. 248-12-7, dated 11th June 1917.

NOTE.—The maximum number of trees allowed to be tapped free of tax for *bona fide* domestic consumption such as bread-making, etc., will be as below :—

Coffee Planters ...	... Three ...	... (Annually).
Kanholders ...	... Two ...	... do
Hiduvalidars ...	... One ...	... do

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency, but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State, for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules. The British and the Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore Licensees alike. The arrangements agreed to by the Madras and Mysore Governments with regard to the issue of the licenses for tapping trees in either territory on the application of shop-keepers in the other do not prevent the reservation of trees in any specified area, in the Madras Presidency or in Mysore State, with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into the British or the Mysore Treasury does not entitle an applicant to tapping licenses for trees so reserved.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent to the trees being tapped and to holding himself liable for the tree-tax in case the license-holder fails to pay it and such counter-signature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license and transport permits as detailed in the T. T. Rules. Applicants for date trees shall get the requisite space on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(6) The tapping of trees is subject to the following conditions:—

(*a*) Date trees shall be tapped only by professional men.

(*b*) No date tree shall be tapped oftener than in alternate years or for more than four months in the year.

(*c*) Trees shall not be over-tapped or over-worked; *i.e.*, worked every day during the currency of the permit.

(*d*) In no date trees shall the initial incision be made at any point within four feet from the ground or eighteen inches from the top of any other incision except in places where permission is specially given by the Deputy Commissioner.

(*e*) The depth and width of the incision shall not exceed one-third of the diameter of the tree and the length of it shall not exceed eight inches.

(*f*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters on that face of the tree on which the incision is made.

(*g*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*h*) The licensee or his employer will be liable to pay a fine of double the amount of tree-tax in force for each tree, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. The fine will be levied on trees found dead at the close of every quarter. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*i*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(*j*) When the licensee makes default and his shop is re-sold, or otherwise disposed of his rights to and claims on all toddy-yielding trees for the purpose of tapping cease and determine.

7. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or spaces for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

8. For date trees, tapping licenses and transport permits shall be issued current for four months subject to the condition that this limit of four months shall not extend to any period beyond the close of the lease. In the case of other palm trees, the period shall be annual. For the convenience of the licensee, the application for tree tapping license will be received, trees will be marked and licenses will be issued during the fifteen days previous to 1st July each year but pots shall not be attached before the evening of 23rd June preceding

9. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a license under these rules in the garden or field in which stand the trees which he is licensed to tap. The Excise Commissioner may relax the restriction in any local area on sufficient cause being shown. This will not apply to toddy contained in the pots attached to the spathes of the trees.

10. In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

11. The tree-tax payable on account of each tree for the tapping of which license is applied for shall be such as may be fixed by Government and notified from time to time.

12. The tree-tax payable an account of any license issued under these rules shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct:—

Period within which the license is applied for	Instalments in which tree-tax is to be paid
1. Between 1st July and 31st March in any year.	One half at the time of application and the other half on the last day of the second month.
2. Between 1st April and 30th June in any year.	The whole at the time of application.

13. If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation. Fresh applications for trees shall not be accepted from licensees until the arrears of tree-tax relating to all their shops are paid up.

14. In case of default, the Amildar will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter or his agent or employee continues to tap the trees, any or all of them will be punished departmentally or be prosecuted for illicit tapping.

15. Tree-rent at Re. 0-4-3 per tree shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore. Railway cess on tree-rent will be levied in addition as notified from time to time.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree-tax.

XVI. A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Tahsildar's Treasury concerned, in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Tahsildar, after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

XVII. The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in the State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the officer refusing the license. The issue of licenses, marking of the trees, etc., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higer rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

XVIII. The Inspector concerned in the Mysore State will issue transport permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British officer to grant permits from the frontier on to the destination of the toddy.

XIX. Transport permits for toddy exported by rail will be given in batches of seven or any other requisite number, one for each day, to allow of a transport permit being invariably attached to the way-bill.

XX. All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into Madras Presidency, under a general transport permit granted by the Deputy Commissioner of the District or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unautorized by the Rules in force, are strictly prohibited.

XXI. Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any officer duly empowered by it in this behalf.

XXII. Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Inspector of the Range in Mysore Territory through which the toddy is being transported.

Part II.

XXIII. The duties to be performed, and the accounts, Diaries and reports to be furnished by all Officers, Amildars, the executive members of the Excise Department, and village officials shall be such as may, from time to time, be ordered by the Excise Commissioner.

XXIV. Except as otherwise provided, all orders passed and proceedings taken by officers of the Excise Department under the provisions of these Rules, shall be subject to appeal to their immediate superiors, within two months from the date of the passing of such orders or proceedings.

XXV. The officers of the Excise Department, and licensees or their agents shall conform to such rules of practice as may, from time to time, be issued by the Excise Commissioner, not inconsistent with the provisions of the Excise Regulation and these Rules.

XXVI. Licenses for cutting and removal of leaves by professional rope-makers, basket-makers, etc., and by agriculturists, under such rules as may be issued by Government, shall be restricted only to the groves or trees not reserved for the purposes of toddy revenue, and may extend in reserved groves to the removal of date leaves cut by licensees for the purpose of drawing toddy.

XXVII. The Magistrates convicting any persons under Section 55 of the Excise Regulation of unlicensed or illicit tapping, illegal manufacture of toddy, shall furnish copies of calendars or other information of such convictions to the Amildars of the taluks concerned.

XXVIII. The Amildars, on receipt of such calendars or information, shall collect the tree-tax and tree-rent, due on the toddy-yielding trees proved to have been illicitly tapped.

XXIX. The trees illicitly tapped shall not be marked unless they are duly applied for by the offenders. If they apply for them, and there is no objection to the issue of a tapping license, the trees may be marked and dealt with in the usual course under the Tree-tax Rules, provided that, if the amount of tree-tax and tree-rent has already been collected, further demand therefor shall not be made by the Amildar.

By Order,
B. RAMASWAMAIYA,
Secretary to Government,
Revenue Department.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. R. Dis 215-19, *dated* 29*th March* 1920.

Notice is hereby given that the exclusive privilege of selling, during the twelve months beginning 1st July 1920 and ending 30th June 1921, country liquors, intoxicating drugs, and opium in the several shops licensed for the purpose and situated in the several taluks of the Mysore State will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or other officers specially empowered by the Deputy Commissioners of the Districts concerned for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarter places mentioned in the schedule annexed, subject to the conditions hereinafter set forth :—

Note.—If the sales are not completed on the dates fixed they will be continued on the next following days, close holidays excepted.

2. A complete list of all the shops for which licenses will be granted and a copy of the general and special conditions applicable to all vend licenses under the Excise and Opium Laws as prescribed by Government in their Notification No. 9208—Ex. 14-18-9, dated 13th February 1920, and published in the *Mysore Gazette* are available for the information of intending bidders in the Range and Taluk Offices.

CONDITION OF AUCTION SALE.

I. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

II. The shops will be put up to auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate or kan may be sold to the Planter or kan-holder for any fixed amount not less than Rs. 36 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

III. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

IV. No person will be allowed to bid for another unless he holds a power-of-attorney, from him.

V. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or in arrears to Government or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty

to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

VIII. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

IX. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction or by tender or otherwise at the discretion of the Deputy Commissioner later on.

X. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition I will make up one month's khist for each shop. Should he fail to do so, the deposit made by him under condition I will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of foreigners, the initial deposit together with the further deposit may be raised equal to two months' khist. Successful bidders shall be granted proper receipts for the amount deposited by them.

XI. Persons to whom shops have been knocked down and who have made deposits as provided in conditions I and X, shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns.

XII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser, if the amount secured exceeds Rs. 1,000.

XIII. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation of the sales.

XIV. On the failure of any person to make deposit under condition XI or to comply with the requisition under condition XII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop promptly be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XV. Re-sales effected under condition XIV will be at the risk of the defaulting bidder who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period, under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of

* Deposits may be in cash or other approved security.

otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVI. The deposit referred to in condition XI or condition XII, as the case may be, will be taken as security for the due performance of the conditions of the license. It will be returned to the licensee after the expiry of the period of his lease and after adjustment from it of any dues payable by him to Government.

XVII. The purchaser shall adhere to all the provisions of the Excise and Opium laws which are in force or which may come into force and of the rules which have been or may from time to time be framed either by Government or by the Excise Commissioner or by any competent authority.

Notice No. R. Dis. No. , dated 5th April 1920.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in sealed bottles in the shops specially licensed for the purpose in the Cities of Bangalore and Mysore and in the Kolar Gold Fields, for the twelve months, beginning with 1st July 1920 and ending with 30th June 1921, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorised by him.

2. The manufacturers of Beer are not allowed to bid for or purchase the shops.

Each bidder at the auction shall deposit a sum of Rs. 50 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

4. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

5. The person to whom the shops have been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its despatch duly registered by post, deposit such further sum as with the first deposit, will make up a total security of two months' rental for the shop knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the shop will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. Resales effected under para 5 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely:—

The security deposit shall be returnable to the licensee at the expiry of the period of the lease and after deducting from it such dues as may be payable by him to Government. Failing payment as above, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at the rate of one pie per rupee per mensem or part thereof under the rules in force for the collection of land revenue. (17) The licensee shall be bound by the rules in force, and those which may be issued from time to time by Government.

8. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee or his servant a fine not exceeding Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1920 shall be made good by him. PROSPECTUS.

The object with which this Company is formed is to start in Mysore Province a fully equipped Cotton Spinning and Weaving Mill on modern lines. It is not necessary to prove that the Cotton Industry has got practically an unlimited scope in India.

2. According to the statistical returns for the years 1914-15, 1915-16 and 1916-17, India supplies only to the extent of nearly one-third of her total consumption and the rest two-thirds is imported from foreign countries. Over and above such a large scope to meet the Indian requirements import of piece-goods into India has been systematically increasing from 74 millions of yards in 1907-08 to 244 millions of yards in 1916-17.

3. In view of the increasing demands for indigenous goods as also the growing consumption of piece-goods even if large number of Mills are erected in Mysore Province they will hardly be able to turn out sufficient production to cope with the demand. An addition of a new Mill therefore is bound to achieve real success. Besides there are very few cotton mills in the Madras Presidency and in this Province compared with Bombay Presidency. With these prospects for the Textile Industry, Weaving Mills have an assured future before them and afford to shareholders a valuable and undoubted investment.

4. It is intended to start the Mill with 10,000 Spindles and 200 Looms and at the same time to extend the same as the Company prospers. The Agents who have a long experience of Cotton Industry will exert themselves to secure the most satisfactory and advantageous results in the working of the Mills.

5. There is no difficulty in securing a suitable site for the Mills at a cheap price and labour and raw materials are also abundant. It is also proposed to work the Mills by Electricity.

6. The object of the Company *inter alia* will be to carry on business of spinning and weaving and manufacturing and dealing in cotton, silk, wool, or other fibrous substances and the preparation of dyeing and coloring of any of the said substances and the sale of yarn, wool, silk cloth or other manufacture of fibrous products.

7. The following Agreement has been entered into:—

An Agreement dated 7th February 1920, between The Bangalore Spinning and Weaving Mills, Limited, of the one part and Messrs. N. Callianjee A. H. Munshi & Co., or the successors and assigns in business of Messrs. N. Callianjee A. H. Munshi & Co., who shall be the Managing Agents of the Company from the date of registration of the Company for thirty years and thereafter until they of their own will resign. The remuneration of the Agents under this Agreement is fixed at three and a half per cent commission on the gross sales of the entire manufacture and production of the Mills, an Office allowance of Rs. 1,000 (one thousand only) per mensem and they shall, during the erection and construction of the Mill, Machinery, Buildings and other works of the Company, receive a commission of two and a half per cent on all moneys expended by the Company in or about such erection or construction.

8. The articles of Association provided that the qualification of a Director shall be his holding in his own right one hundred shares of the Company of a nominal value of Rs. 10,000 and that the remuneration of each of the Directors shall be Rs. 50 (Fifty only) for every meeting of the Board attended by him and such additional reasonable remuneration as may be fixed by the Directors.

9. The amount fixed by the Articles as the minimum subscription of this issue on which the Directors may proceed to allot is ten per cent of the Issued Capital.

10. Brokerage will be paid at the rate of one per cent in respect of applications received through Brokers recognised by the Company.

11. The right of voting at General Meeting is one vote for every share.

12. Messrs. Nandlal Callianjee and Mahomed Akbar Hussain Munshi, two of the Directors, are members of Agent's firm.

13. The preliminary expenses are estimated at Rs. 10,000 (Ten Thousand only) and will be paid by the Company.

14. Copies of the abovementioned agreement and of the Company's Memorandum and Articles of Association may be inspected at the Registered Office of the Company during business hours.

15. If in any year, after three years from the date of the commencing of the Company's Mill Business, the Company is unable to declare a dividend of Seven per cent, the Managing Agents will forego upto one-third of their commission earned from the Company the amount required to meet a dividend of Seven per cent.

16. Application for shares should be made on the form enclosed and forwarded with remittance of Rs. 10 (Ten only) per share of the amount applied for to the Company's Bankers or Agents. Where no allotment is made the deposit will be returned in full.

17. Prospectus and forms of application can be obtained at the Registered offices of the Company or from the Company's Bankers.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. The English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, I-A, II, III and V only, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad-Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Such subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2-4-0 per annum will have Parts I, I-A, II, III and V only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICIAL PAPERS.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Food Situation for the week ending 31st March 1920.

Brief abstract of the special reports regarding the Food Situation for the week ending 31st March 1920.

Bangalore City.—During the week under report, 280 carts of ragi and 10 carts of paddy and 150 bags of horse gram came into the bazaar as against 304 carts of ragi and 53 carts of paddy in the previous week.

The price of ragi ranged from Rs. 75 to Rs. 82 per cart during the week against Rs. 76 to Rs. 85 per cart in the previous week.

There is sufficient stock of rice and ragi in the bazaar for consumers to buy.

The Municipal Depot and the three Test Depots are selling Rangoon rice to the poor. The importers are also selling rice to the public at their Depots.

Mysore City.—No change in the situation.

Bangalore District.—Except for a small shower of rain measurable in cents in Kankanhalli, Dodballapur, Nelamangala and Devanhalli, there was no rainfall during the week under report.

Threshing of ragi is still going on in Bangalore and Closepet. The standing crops of sugar-cane and *Vaisakhi* paddy are reported to be in good condition.

Ragi is selling at 6½ to 9 seers a rupee, while local rice sells at 3¼ to 4¼ seers a rupee. Burma rice is being sold at 4½ to 4¾ seers a rupee.

There is sufficient stock of Burma rice on hand and arrangements are being made to sell it freely to the public.

The supply of ragi to the markets is fairly satisfactory.

Mysore District.—No change in the situation. Markets are well supplied, but prices are high. Prices are not likely to come down for a considerable time.

Tumkur District.—The situation continues as hitherto. There is no material change in the prices of staple food grains. Demand for Burma rice remains as before and it is being sold at 4½ seers a rupee wherever there are depots. Two hundred more bags of rice have been applied for, for the Gubbi Depot. There is sufficient stock in other depots to last for a month.

Kolar District.—There is no change in the food situation.

Hassan District.—Markets were generally well supplied with food grains, but the supply of ragi is still not so good as rice.

Rice and paddy continued to be exported from important santes to Bangalore and other places in the State.

Standing crops, *viz.*, *Kar* paddy and sugar-cane are in a good condition.

Prices still continue to be high, but the price of ragi in Hole-Narsipur, Arsikere and Arkalgud Taluks is showing a slightly downward tendency.

Prospects are generally good for the present.

Shimoga District.—There has been no material change in the food situation in the district excepting that there has been slight relaxation in the prices.

Kadur District.—Necessary food stuffs were available in all the markets at the usual high prices. The price of rice remained stationary, while that of ragi showed a slight improvement at Tarikere and Koppa. It was sold at Tarikere at 12 seers a rupee as against 10 seers in the previous week. The Amildar of Koppa reports that paddy is being exported from his taluk to the Shimoga District. Paddy is being harvested at Narasimharajapura and is estimated to yield 12 annas.

Chitaldrug District.—There has been no material change in the food situation during the week under report. The prices are stationary.

Government grain depots for the sale of Burma rice opened in Davangere, Harihar, Holalkere, Hosdurga and Molakalmuru Taluks during last month continue.

General (By Food Controller).—The markets are adequately supplied and the price of ragi is reported to show signs of decline in several districts.

The grain market in the Bangalore City is dull. There are large stocks on hand and demand is slack.

The Government of India have removed inter-provincial restrictions on the movement of rice in British India. This means that we can import rice freely from Madras, Bengal and other parts of India, while exports continue to be prohibited.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

PART III.

Legislative Measures and Rules thereunder.

EXCISE DEPARTMENT.

Notification No. R. 11723—*Ex.* 14-18-11, *dated 7th April* 1920.

Under Section 29 of the Mysore Excise Regulation, No. V of 1901, and in exercise of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore are pleased to make the following Rules in supersession of all existing rules on the subject of the disposal of the exclusive privilege of selling toddy in shops or groups of shops and the grant of licenses for sale, and for the tapping of toddy-producing trees, etc.

Part I.

1. The exclusive privilege of selling toddy in each shop or group of shops, for each year or any other period that may be specially fixed by Government, shall be disposed of by sale by public auction or disposed of in such other manner as the Government may specially direct in that behalf, subject to the conditions laid down in the Rules framed by Government in this behalf. Toddy shops in alienated villages shall be separately sold, and the amounts connected therewith shall be shown in the accounts under a distinct head.

Exceptions.

1. Coffee planters may be allowed to open an estate shop subject to a minimum shop rent of Rs. 3 per month.

2. Kanholders may also be allowed to open shops in their holding on the same terms, provided they show to the satisfaction of the Deputy Commissioner that they have a legitimate demand for such shops for the use of their coolies and dependents.

NOTE.—The estate or kan licensee is prohibited from selling toddy outside such estate or kan or to persons who live outside the same.

II. The general terms and special conditions of sale and the issue of the licenses shall be such as Government may, from time to time, prescribe.

III. The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

IV. For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. If the Deputy Commissioner is satisfied that the said (hiduvali) trees should not be tapped, he is competent to withdraw the tree-tapping license and the licensee affected thereby shall not claim any damages therefor. In the case of trees on Government unoccupied lands included in the date reserve list and reserved for future use, the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. The number of trees shown in the assignment lists is only approximate and is subject to alteration at the time of presenting application for trees. The District Excise Officer may approve all such alterations on the recommendation of the Range Inspectors. The licensee may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same in the following cases :—

(a) Where there is an unusual demand for toddy in a shop in consequence of a festival or for any other valid reason to be recorded by the Range Inspector.

(b) Where trees have ceased to yield during the last few days of a lease.

(c) Where toddy drawn by one shop-keeper at the end of the lease cannot reach the shop before the first few days of the new lease.

V. No toddy in excess of the produce of trees licensed for that shop and covered by a transport permit shall be transported to or kept in the shop or offered for sale or sold.

VI. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

VII. The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

VIII. Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

IX. The distillation of spirit from toddy is absolutely prohibited.

X. If the licensee of a group of shops wishes to transport the toddy intended for his several shops *in one consignment*, he should obtain a depot license and carry the toddy to this depot with the usual permit. The toddy intended for each shop shall be distributed in accordance with the permits granted for transport from the depot to the shop. The permits issued with the toddy transported shall be subject to examination and check by the officer authorised in this behalf.

XI. Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited.

XII. The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates which may be fixed and notified from time to time. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

XIII. The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

XIV. No water shall be mixed or allowed to be mixed at any time or place with the toddy drawn under the license and it shall not otherwise be adulterated.

XV. The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1 Tree-tapping licenses in the prescribed form shall be issued on the application :—

(a) of licensed toddy shop-keepers or of their duly authorised agents ;

(b) of toddy shop-keepers or renters in the Madras Presidency ; and

(c) of malnad land-holders free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. Fl. 7473-83—S. R. 248-12-7, dated 11th June 1917.

289 131

NOTE.—The maximum number of trees allowed to be tapped free of tax for *bona fide* domestic consumption such as bread-making, etc., will be as below :—

Coffee Planters	Three	(Annually).
Kanholders	Two	do
Hiduvalidars	One	do

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency, but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State, for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules. The British and the Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore Licensees alike. The arrangements agreed to by the Madras and Mysore Governments with regard to the issue of the licenses for tapping trees in either territory on the application of shop-keepers in the other do not prevent the reservation of trees in any specified area, in the Madras Presidency or in Mysore State, with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into the British or the Mysore Treasury does not entitle an applicant to tapping licenses for trees so reserved.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent to the trees being tapped and to holding himself liable for the tree-tax in case the license-holder fails to pay it and such counter-signature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license and transport permits as detailed in the T. T. Rules. Applicants for date trees shall get the requisite space on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6 The tapping of trees is subject to the following conditions :—

(a) Date trees shall be tapped only by professional men.

(b) No date tree shall be tapped oftener than in alternate years or for more than four months in the year.

(c) Trees shall not be over-tapped or over-worked, *i.e.*, worked every day during the currency of the permit.

(d) In no date trees shall the initial incision be made at any point within four feet from the ground or eighteen inches from the top of any other incision except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree and the length of it shall not exceed eight inches.

(f) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters on that face of the tree on which the incision is made.

(g) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(h) The licensee or his employer will be liable to pay a fine of double the amount of tree-tax in force for each tree, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. The fine will be levied on trees found dead at the close of every quarter. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(i) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(j) When the licensee makes default and his shop is re-sold, or otherwise disposed of his rights to and claims on all toddy-yielding trees for the purpose of tapping cease and determine.

7. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or spaces for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

8. For date trees, tapping licenses and transport permits shall be issued current for four months subject to the condition that this limit of four months shall not extend to any period beyond the close of the lease. In the case of other palm trees, the period shall be annual. For the convenience of the licensee, the application for tree tapping licenses will be received, trees will be marked and licenses will be issued during the fifteen days previous to 1st July each year but pots shall not be attached before the evening of 23rd June preceding.

9. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a license under these rules in the garden or field in which stand the trees which he is licensed to tap. The Excise Commissioner may relax the restriction in any local area on sufficient cause being shown. This will not apply to toddy contained in the pots attached to the spathes of the trees.

10. In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

11. The tree-tax payable on account of each tree for the tapping of which license is applied for shall be such as may be fixed by Government and notified from time to time.

12. The tree-tax payable an account of any license issued under these rules shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct :—

Period within which the license is applied for	Instalments in which tree-tax is to be paid
1. Between 1st July and 31st March in any year.	One half at the time of application and the other half on the last day of the second month.
2. Between 1st April and 30th June in any year.	The whole at the time of application.

13. If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation. Fresh applications for trees shall not be accepted from licensees until the arrears of tree-tax relating to all their shops are paid up.

261 132

14. In case of default, the Amildar will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter or his agent or employee continues to tap the trees, any or all of them will be punished departmentally or be prosecuted for illicit tapping.

15. Tree-rent at Re. 0-4-3 per tree shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore. Railway cess on tree-rent will be levied in addition as notified from time to time.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree-tax.

XVI. A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Tahsildar's Treasury concerned, in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Tahsildar, after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

XVII. The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in the State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the officer refusing the license. The issue of licenses, marking of the trees, etc., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higer rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

XVIII. The Inspector concerned in the Mysore State will issue transport permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British officer to grant permits from the frontier on to the destination of the toddy.

XIX. Transport permits for toddy exported by rail will be given in batches of seven or any other requisite number, one for each day, to allow of a transport permit being invariably attached to the way-bill.

XX. All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into Madras Presidency, under a general transport permit granted by the Deputy Commissioner of the District or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unautorized by the Rules in force, are strictly prohibited.

XXI. Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any officer duly empowered by it in this behalf.

XXII. Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Inspector of the Range in Mysore Territory through which the toddy is being transported.

Part II.

XXIII. The duties to be performed, and the accounts, Diaries and reports to be furnished by all Officers, Amildars, the executive members of the Excise Department, and village officials shall be such as may, from time to time, be ordered by the Excise Commissioner.

XXIV. Except as otherwise provided, all orders passed and proceedings taken by officers of the Excise Department under the provisions of these Rules, shall be subject to appeal to their immediate superiors, within two months from the date of the passing of such orders or proceedings.

XXV. The officers of the Excise Department, and licensees or their agents shall conform to such rules of practice as may, from time to time, be issued by the Excise Commissioner, not inconsistent with the provisions of the Excise Regulation and these Rules.

XXVI. Licenses for cutting and removal of leaves by professional rope-makers, basket-makers, etc., and by agriculturists, under such rules as may be issued by Government, shall

be restricted only to the groves or trees not reserved for the purposes of toddy revenue, and may extend in reserved groves to the removal of date leaves cut by licensees for the purpose of drawing toddy.

XXVII. The Magistrates convicting any persons under Section 55 of the Excise Regulation of unlicensed or illicit tapping, illegal manufacture of toddy, shall furnish copies of calendars or other information of such convictions to the Amildars of the taluks concerned.

XXVIII. The Amildars, on receipt of such calendars or information, shall collect the tree-tax and tree-rent, due on the toddy-yielding trees proved to have been illicitly tapped.

XXIX. The trees illicitly tapped shall not be marked unless they are duly applied for by the offenders. If they apply for them, and there is no objection to the issue of a tapping license, the trees may be marked and dealt with in the usual course under the Tree-tax Rules, provided that, if the amount of tree-tax and tree-rent has already been collected, further demand therefor shall not be made by the Amildar.

By Order,
B. RAMASWAMAIYA,
Secretary to Government,
Revenue Department.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. R. Dis 215-19, *dated* 29*th March* 1920.

Notice is hereby given that the exclusive privilege of selling, during the twelve months beginning 1st July 1920 and ending 30th June 1921, country liquors, intoxicating drugs, and opium in the several shops licensed for the purpose and situated in the several taluks of the Mysore State will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or other officers specially empowered by the Deputy Commissioners of the Districts concerned for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarter places mentioned in the schedule annexed, subject to the conditions hereinafter set forth :—

Note.—If the sales are not completed on the dates fixed they will be continued on the next following days, close holidays excepted.

2. A complete list of all the shops for which licenses will be granted and a copy of the general and special conditions applicable to all vend licenses under the Excise and Opium laws as prescribed by Government in their Notification No. 9208—Ex. 14-18-9, dated 13th February 1920, and published in the *Mysore Gazette* are available for the information of intending bidders in the Range and Taluk Offices.

CONDITION OF AUCTION SALE.

I. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

II. The shops will be put up to auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate or kan may be sold to the Planter or kan-holder for any fixed amount not less than Rs. 36 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

III. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

IV. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

V. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or in arrears to Government or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

VIII. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

IX. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction or by tender or otherwise at the discretion of the Deputy Commissioner later on.

X. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition I will make up one month's khist for each shop. Should he fail to do so, the deposit made by him under condition I will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of foreigners, the initial deposit together with the further deposit may be raised equal to two months' khist. Successful bidders shall be granted proper receipts for the amount deposited by them.

XI. Persons to whom shops have been knocked down and who have made deposits as provided in conditions I and X shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns.

* Deposits may be in cash or other approved security.

XII. OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

OFFICIAL MEMORANDUM.

The following extract relating to pensions, etc., of ex-soldiers of the Indian Army is published for information:—

"It is becoming a common practice among Indian ex-soldiers and their relatives to make personal representations at Army Headquarters on the subject of pensions, etc., in the apparent belief that they are thereby furthering their cases. These personal representations, whilst involving unnecessary expense to the petitioners, serve no useful purpose and do not materially assist in the consideration of their claims, as such claims have to be referred to the General Officer Commanding concerned for investigation before a decision can be given.

2. The Government of India consider that it would be to the general interests of this class of petitioners, if publicity could be given to the fact that a petition in writing addressed to the Government of India receives prompt consideration and is as efficacious as a personal interview."

OFFICIAL PAPERS.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Food Situation for the week ending 10th April 1920.

Brief abstract of the special reports regarding the Food Situation for the week ending 10th April 1920.

Bangalore City.—During the week under report, 256 carts of ragi, 34 carts of paddy and 453 bags of horse gram came into the bazaar as against 280 carts of ragi, 10 carts of paddy and 150 bags of horse gram in the previous week.

The price of ragi ranged from Rs. 74 to Rs. 82 per cart during the week against Rs. 75 to Rs. 82 per cart in the previous week.

There is sufficient stock of rice and ragi in the bazaar for consumers to buy.

The Municipal Depot and the three Test Depots are selling Rangoon rice to the poor The importers are also selling rice to the public at their Depots.

Mysore City.—There is no change in the situation.

Bangalore District.—During the week there was a little rainfall in the taluks of Dodballapur, Magadi, Hoskote and Kankanhalli, ranging from 8 to 35 cents. A shower or two is wanted to help in the preparation of ground for the next season.

Vaisakhi paddy is in good condition, and sugar-cane planting is going on.

The markets are being fairly well supplied. Ragi is selling at 7 to 8½ seers, and local rice at 3½ to 4 seers a rupee. Burma rice is available at all the important stations and is being sold at 4¼ to 4¾ seers a rupee.

Mysore District.—No change. Showers of rain have been pretty general all over the district, except French Rocks and Krishnarajpete.

Tumkur District.—There is no change in the situation, nor in the prices of the staple food grains. Demand for Burma rice continues as before and it is being sold at 4½ seers a rupee in all Government Depots. There is sufficient stock in all the depots.

Kolar District.—The demand for Burma rice continues to be slack and is decreasing in some parts. Reports are being received from the Amildars that further supply of rice to their depots is not required for the present.

360

Hassan District.—Santhes were generally well supplied with food grains.

Standing crops, such as *Kar* paddy and sugar-cane are in a good condition.

Prices of food grains still continue to be high.

Prospects are generally good for the present.

Shimoga District.—There is no change in the situation.

Kadur District.—The markets in this district were supplied with sufficient food stuffs except Kadur. The Amildar of Kadur, reports that the supply of local rice was not sufficient to meet the demand of the public, with the result that the demand for Burma rice increased.

The prices of food stuffs continue to be the same, *i.e.*, they are high as usual.

There seems to be a sprinkling of showers in the taluks of Kadur and Koppa.

Chitaldrug District.—There is no change during the week under report. Prices of food grains continue to be still high. At the Chitaldrug *santhe* rice was sold at 3½—3¾ seers a rupee and ragi at 10½—11 seers a rupee.

Burma rice is being sold in the Depots at Davangere, Harihar, Holalkere, Hosdruga and Molakalmuru and by the Co-operative Societies at Ramagiri, Jagalur, Harihar and Holalkere.

General (By Food Controller).—There is no material change in the situation. The markets are well supplied. The prices of ragi, jola, horse gram and paddy are fairly steady, but show a downward tendency. Mysore rice is coming more freely into the market than before.

Owing to the removal of inter-provincial restrictions merchants have begun to import rice without control from the Madras Presidency.

The grain market in the Bangalore City continues to be dull.

Chief Secretary to Government.

Land Acquisition Regulation.

READ—

Letter No. C. 2884—Gl. 19-20, dated the 22nd January 1920, from the Revenue Commissioner in Mysore, stating that, when occupied lands are acquired by Government for public works, such as Government buildings, tanks, channels, roads, etc., the estimates for the works do not take into account, the loss resulting to Government by the abatement of land revenue on such lands, and requesting orders as to whether in such cases the capitalized value of the loss of revenue should not be included in the calculation of the cost of the works so as to give a correct idea thereof.

ORDER No. R. 12137-97—L. R. 292-19-2, DATED 17TH APRIL 1920.

Under Rule XI of the Rules under the Land Acquisition Regulation, a municipality or other local body, or company, on behalf of which any land is acquired, is liable to pay the assessment of such land or a lump sum in commutation of the liability to pay the assessment and in the case of lands acquired on behalf of any Department of Government, the assessment thereof is merely written off the accounts. The question for consideration therefore, is whether in respect of lands acquired on behalf of any Department of Government for public works, the Department concerned should not also compensate Government for loss of revenue.

2. Public works for which lands are acquired by Government in any department, may be productive or non-productive. In the case of the former such as, railways, irrigation works, etc., Government consider it reasonable that the capitalized value equal to 25 years' assessment of the occupied land acquired, or of the unoccupied land appropriated for the purpose, should be added to the cost of the works, so that the return to Government from such works may be correctly calculated. In all other cases, it is sufficient if mere abatement of land revenue is allowed as at present.

3. Government are accordingly pleased to direct that the following be substituted for the last sentence in Rule XI of the Rules under the Land Acquisition Regulation, beginning with the word "If" and ending with the word "Government":—

"Provided, however, that when lands are acquired for productive works, such as, railways, irrigation works, etc., or when unoccupied lands are taken up for such works, the capitalized value of the abatement of revenue of such lands, equal to 25 years' assessment shall be charged to the department concerned and included in the estimates for such works."

Administration Report of the Electrical Department for 1918-19.

READ—

Letter No. 3552, dated the 11th October 1919, from the Chief Electrical Engineer, submitting the Administration Report of the Electrical Department for the year 1918-19.

2. Correspondence ending with letter No. 522—C. P. S., dated the 12th January 1920, from the Comptroller of Mysore, returning the report after verifying the figured statements.

ORDER NO. E. D. S. 790-4—12A, DATED 10TH APRIL 1920.

The modified grant sanctioned for both Capital and Revenue expenditure stood at Rs. 7,54,500 and Rs. 10,51,350, respectively. The expenditure incurred during the year 1818-19 amounted to Rs. 16,98,561 as shown below:—

	Rs.
1. Capital Account—	
Capital outlay ...	3,78,579
2. Revenue Expenses—	
(a) Working expenses ...	9,89,010
(b) Depreciation charges ...	3,30,963
Total ...	16,98,561

A sum of Rs. 14,000 was separately allotted for repairing and maintaining the Telephone lines in the State. The expenditure under this head amounted to Rs. 14,951. A further sum of Rs. 11,394 was incurred for extending them. The total excess was

Rs. 12,345, and this was due to the fact that no funds were allotted in the Budget to meet the capital outlay.

2. In addition to the above items, works aggregating Rs. 1,43,524 in cost, were carried out by the Electrical Department for Government Departments, Municipalities and private consumers. They are treated as contribution works.

CAPITAL EXPENDITURE.

3. The actual expenditure under this head was Rs. 3,78,579 against the sanctioned grant of Rs. 7,54,500, resulting in a lapse of Rs. 3,75,921.

In the report under review, the Chief Electrical Engineer has included a sum of Rs. 2,50,000, which was ordered to be written back from the IV Installation works to the Depreciation Fund and thus reduces the lapse to Rs. 1,25,921.

The Comptroller too has accepted that the lapse is only Rs. 1,25,921.

The materials ordered for the remodelling of the "A" Station, which were received and first taken on to "Stock," could not be utilised on works during the year. There was also delay in completing the works under progress, on account of the difficulty in obtaining materials. The late shipment of machinery, etc., also contributed to the lapse.

4. Items of works accounted for under Capital Expenditure are given in the Chief Electrical Engineer's report attached.

REVENUE EXPENDITURE.

The grant and the outlay under the head stood, respectively, at Rs. 10,51,350 and Rs. 13,19,982 as shown hereunder, resulting in an excess of Rs. 2,68,632 :—

Main heads	Modified grant	Outlay	Excess
	Rs.	Rs.	Rs.
1. Working expenses ...	9,55,350	9,89,019	33,669
2. Charges debitable to depreciation accounts.	96,000	3,30,963	2,34,963
Total ...	10,51,350	13,19,982	2,68,632

The excess was chiefly due to the write-back of a sum of Rs. 2,50,000 to the Depreciation Fund, as per Government Order No. 334-8—C. P. S., dated the 26th April 1916.

This excess was met out of the lapse of Rs. 3,75,921 observed in para 3 above.

The classification of Revenue expenditure of Rs. 13,19,982 under the main sub-heads as compared with the past two years will be as follows :—

Main sub-heads	Revenue expenditure for		
	1918-19	1917-18	1916-17
	Rs.	Rs.	Rs.
1. Working expenses ...	5,46,207	4,91,324	4,64,602
2. Amount credited to Depreciation Fund.	4,07,175	3,77,182	3,82,529
3. Amount debitable to Suspense Account.	35,637	8,093	—1,10,279
4. Expenditure debitable to Depreciation Fund.	3,30,963	92,551	1,25,824
Total ...	13,19,982	9,69,150	8,62,676

REVENUE.

6. The revenue from the Cauvery Power Electrical Works for the year 1918-19 amounted to Rs. 26,81,559 as against Rs. 27,16,576 during the preceding year.

According to the proportion fixed in Government Order No. Fl. 1681-4—G. F. 217-16-2, dated the 30th August 1919, a sum of Rs. 3,49,030 was credited out of the revenue to the Krishnarajasagara Scheme.

The gross revenue to the credit of the Electrical Power Works was Rs. 23,32,529. After deducting the working expenses and the amount debited to the suspense account, the net revenue from the Cauvery Power Electrical Works was Rs. 23,32,529—5,46,307—35,637, *i.e.*, Rs. 17,50,685 as against Rs. 17,92,194 during 1917-18.

The percentage of net revenue on the total capital outlay for the year under review was 8·4 as against 11·3 during the preceding year.

7. A summary of the financial results of the working of the Electrical Department to the end of 1918-19 is given below :—

			Rs.
Capital outlay to end of 1918-19			120,38,422
Gross earnings from power supply to end of 1918-19	Rs.	314,66,190

NOTE.—The total amount at the credit of the Depreciation Fund and the total charges debited thereto at the end of 1918-19 were Rs. 46,09,942 and Rs. 6,17,308, respectively.

8. The principal items of works, sanctioned under "Depreciation" and which were in progress, are detailed in pages 20, 21, 22 and 23 of the Report.

9. The number of interior lighting installations in Bangalore and Mysore has been increasing year after year, as may be seen from the statement given below :—

13. The gross receipts estimated for the year under report were reduced from Rs. 29,80,000 to Rs. 26,66,000, resulting in a loss of Rs. 3,14,000 on account of fluctuations in exchange.

Legislative Measures and Rules thereunder.

EXCISE DEPARTMENT.

Notification No. R. 11723—*Ex.* 14-18-11, *dated 7th April* 1920.

Under Section 29 of the Mysore Excise Regulation, No. V of 1901, and in exercise of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore are pleased to make the following Rules in supersession of all existing rules on the subject of the disposal of the exclusive privilege of selling toddy in shops or groups of shops and the grant of licenses for sale, and for the tapping of toddy-producing trees, etc.

Part I.

1. The exclusive privilege of selling toddy in each shop or group of shops, for each year or any other period that may be specially fixed by Government, shall be disposed of by sale by public auction or disposed of in such other manner as the Government may specially direct in that behalf, subject to the conditions laid down in the Rules framed by Government in this behalf. Toddy shops in alienated villages shall be separately sold, and the amounts connected therewith shall be shown in the accounts under a distinct head.

Exceptions.

1. Coffee planters may be allowed to open an estate shop subject to a minimum shop rent of Rs. 3 per month.

2. Kanholders may also be allowed to open shops in their holding on the same terms, provided they show to the satisfaction of the Deputy Commissioner that they have a legitimate demand for such shops for the use of their coolies and dependents.

NOTE.—The estate or kan licensee is prohibited from selling toddy outside such estate or kan or to persons who live outside the same.

II. The general terms and special conditions of sale and the issue of the licenses shall be such as Government may, from time to time, prescribe.

III. The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

IV. For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. If the Deputy Commissioner is satisfied that the said (hiduvali) trees should not be tapped, he is competent to withdraw the tree-tapping license and the licensee affected thereby shall not claim any damages therefor. In the case of trees on Government unoccupied lands included in the date reserve list and reserved for future use, the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. The number of trees shown in the assignment lists is only approximate and is subject to alteration at the time of presenting application for trees. The District Excise Officer may approve all such alterations on the recommendation of the Range Inspectors. The licensee may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same in the following cases:—

(a) Where there is an unusual demand for toddy in a shop in consequence of a festival or for any other valid reason to be recorded by the Range Inspector.

(b) Where trees have ceased to yield during the last few days of a lease.

(c) Where toddy drawn by one shop-keeper at the end of the lease cannot reach the shop before the first few days of the new lease.

V. No toddy in excess of the produce of trees licensed for that shop and covered by a transport permit shall be transported to or kept in the shop or offered for sale or sold.

VI. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

VII. The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

VIII. Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

IX. The distillation of spirit from toddy is absolutely prohibited.

X. If the licensee of a group of shops wishes to transport the toddy intended for his several shops *in one consignment*, he should obtain a depot license and carry the toddy to this depot with the usual permit. The toddy intended for each shop shall be distributed in accordance with the permits granted for transport from the depot to the shop. The permits issued with the toddy transported shall be subject to examination and check by the officer authorised in this behalf.

XI. Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited.

XII. The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates which may be fixed and notified from time to time. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

XIII. The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

XIV. No water shall be mixed or allowed to be mixed at any time or place with the toddy drawn under the license and it shall not otherwise be adulterated.

XV. The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom:—

1 Tree-tapping licenses in the prescribed form shall be issued on the application:—

(a) of licensed toddy shop-keepers or of their duly authorised agents;

(b) of toddy shop-keepers or renters in the Madras Presidency; and

(c) of malnad land-holders free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. Fl. 7473-83—S. R. 248-12-7, dated 11th June 1917.

NOTE.—The maximum number of trees allowed to be tapped free of tax for *bona fide* domestic consumption such as bread-making, etc., will be as below:—

Coffee Planters	Three	(Annually).
Kanholders	Two	do
Hiduvalidars	One	do

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency, but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State, for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules. The British and the Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore Licensees alike. The arrangements agreed to by the Madras and Mysore Governments with regard to the issue of the licenses for tapping trees in either territory on the application of shop-keepers in the other do not prevent the reservation of trees in any specified area, in the Madras Presidency or in Mysore State, with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into the British or the Mysore Treasury does not entitle an applicant to tapping licenses for trees so reserved.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent to the trees being tapped and to holding himself liable for the tree-tax in case the license-holder fails to pay it and such countersignature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license and transport permits as detailed in the T. T. Rules. Applicants for date trees shall get the requisite space on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6 The tapping of trees is subject to the following conditions:—

(a) Date trees shall be tapped only by professional men.

(b) No date tree shall be tapped oftener than in alternate years or for more than four months in the year.

(c) Trees shall not be over-tapped or over-worked, *i.e.*, worked every day during the currency of the permit.

(d) In no date trees shall the initial incision be made at any point within four feet from the ground or eighteen inches from the top of any other incision except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree and the length of it shall not exceed eight inches.

(f) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters on that face of the tree on which the incision is made.

(g) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(h) The licensee or his employer will be liable to pay a fine of double the amount of tree-tax in force for each tree, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. The fine will be levied on trees found dead at the close of every quarter. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(i) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(j) When the licensee makes default and his shop is re-sold, or otherwise disposed of his rights to and claims on all toddy-yielding trees for the purpose of tapping cease and determine.

7. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or spaces for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

8. For date trees, tapping licenses and transport permits shall be issued current for four months subject to the condition that this limit of four months shall not extend to any period beyond the close of the lease. In the case of other palm trees, the period shall be annual. For the convenience of the licensee, the application for tree tapping licenses will be received, trees will be marked and licenses will be issued during the fifteen days previous to 1st July each year but pots shall not be attached before the evening of 23rd June preceding.

9. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a license under these rules in the garden or field in which stand the trees which he is licensed to tap. The Excise Commissioner may relax the restriction in any local area on sufficient cause being shown. This will not apply to toddy contained in the pots attached to the spathes of the trees.

10. In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

11. The tree-tax payable on account of each tree for the tapping of which license is applied for shall be such as may be fixed by Government and notified from time to time.

12. The tree-tax payable an account of any license issued under these rules shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct :—

Period within which the license is applied for	Instalments in which tree-tax is to be paid
1. Between 1st July and 31st March in any year.	One half at the time of application and the other half on the last day of the second month.
2. Between 1st April and 30th June in any year.	The whole at the time of application.

13. If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation. Fresh applications for trees shall not be accepted from licensees until the arrears of tree-tax relating to all their shops are paid up.

14. In case of default, the Amildar will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter or his agent or employee continues to tap the trees, any or all of them will be punished departmentally or be prosecuted for illicit tapping.

15. Tree-rent at Re. 0-4-3 per tree shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore. Railway cess on tree-rent will be levied in addition as notified from time to time.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree-tax.

XVI. A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Tahsildar's Treasury concerned, in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Tahsildar, after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

XVII. The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in the State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the officer refusing the license. The issue of licenses, marking of the trees, etc., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higer rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

XVIII. The Inspector concerned in the Mysore State will issue transport permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British officer to grant permits from the frontier on to the destination of the toddy.

XIX. Transport permits for toddy exported by rail will be given in batches of seven or any other requisite number, one for each day, to allow of a transport permit being invariably attached to the way-bill.

XX. All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into Madras Presidency, under a general transport permit granted by the Deputy Commissioner of the District or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unautorized by the Rules in force, are strictly prohibited.

XXI. Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any officer duly empowered by it in this behalf.

XXII. Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Inspector of the Range in Mysore Territory through which the toddy is being transported.

Part II.

XXIII. The duties to be performed, and the accounts, Diaries and reports to be furnished by all Officers, Amildars, the executive members of the Excise Department, and village officials shall be such as may, from time to time, be ordered by the Excise Commissioner.

XXIV. Except as otherwise provided, all orders passed and proceedings taken by officers of the Excise Department under the provisions of these Rules, shall be subject to appeal to their immediate superiors, within two months from the date of the passing of such orders or proceedings.

XXV. The officers of the Excise Department, and licensees or their agents shall conform to such rules of practice as may, from time to time, be issued by the Excise Commissioner, not inconsistent with the provisions of the Excise Regulation and these Rules.

XXVI. Licenses for cutting and removal of leaves by professional rope-makers, basket-makers, etc., and by agriculturists, under such rules as may be issued by Government, shall

be restricted only to the groves or trees not reserved for the purposes of toddy revenue, and may extend in reserved groves to the removal of date leaves cut by licensees for the purpose of drawing toddy.

XXVII. The Magistrates convicting any persons under Section 55 of the Excise Regulation of unlicensed or illicit tapping, illegal manufacture of toddy, shall furnish copies of calendars or other information of such convictions to the Amildars of the taluks concerned.

XXVIII. The Amildars, on receipt of such calendars or information, shall collect the tree-tax and tree-rent, due on the toddy-yielding trees proved to have been illicitly tapped.

XXIX. The trees illicitly tapped shall not be marked unless they are duly applied for by the offenders. If they apply for them, and there is no objection to the issue of a tapping license, the trees may be marked and dealt with in the usual course under the Tree-tax Rules, provided that, if the amount of tree-tax and tree-rent has already been collected, further demand therefor shall not be made by the Amildar.

By Order,
B. RAMASWAMAIYA,
Secretary to Government,
Revenue Department.

To—The Inspecting Officers of the Education Department and all the Managers of Aided Institutions.

Has the honor to inform that at present the Managers of Aided Institutions send up applications for several kinds of grants all the year round without any uniformity in the procedure, thereby rendering the working of the grant-in-aid system unsatisfactory and difficult. "No grants shall be sanctioned under these rules to an institution during any particular official year unless applications for such grants are made through the Circle Inspectors concerned not later than the 15th November of the preceding year. But in the case of schools newly opened with the permission of the department the above time limit will not apply so far as applications for grants during the first year are concerned."

The Managers of Aided Institutions are therefore informed that applications not made in conformity with the above rule will not be considered and no reply will be given to them on this behalf.

The Circle Inspectors and the Inspectress should receive applications thus made and consolidate them applying grant-in-aid rules strictly and submit complete and definite proposals on the subject to this office before the 31st January every year.

Subjects Nos. 4 and 6.

Proceedings of the meeting of the Food Supplies Committee of the Hassan District, held on 3rd April 1920, and letter No. F. S. C., dated 5—8th April 1920, from the Deputy Commissioner, Hassan District, recommending that restrictions against export of food grains should continue for another year.

PROSPECTUS.

1. The object with which this Company is formed is to start in Mysore Province a fully equipped Cotton Spinning and Weaving Mill on modern lines. It is not necessary to prove that the Cotton Industry has got practically an unlimited scope in India.

2. According to the statistical returns for the years 1914-15, 1915-16 and 1916-17, India supplies only to the extent of nearly one-third of her total consumption and the rest two-thirds is imported from foreign countries. Over and above such a large scope to meet the Indian requirements import of piece-goods into India has been systematically increasing from 74 millions of yards in 1907-08 to 244 millions of yards in 1916-17.

3. In view of the increasing demands for indigenous goods as also the growing consumption of piece-goods even if large number of Mills are erected in Mysore Province they will hardly be able to turn out sufficient production to cope with the demand. An addition of a new Mill therefore is bound to achieve real success. Besides there are very few cotton mills in the Madras Presidency and in this Province compared with Bombay Presidency. With these prospects for the Textile Industry, Weaving Mills have an assured future before them and afford to shareholders a valuable and undoubted investment.

4. It is intended to start the Mill with 10,000 Spindles and 200 Looms and at the same time to extend the same as the Company prospers. The Agents who have a long experience of Cotton Industry will exert themselves to secure the most satisfactory and advantageous results in the working of the Mills.

5. There is no difficulty in securing a suitable site for the Mills at a cheap price and labour and raw materials are also abundant. It is also proposed to work the Mills by Electricity.

6. The object of the Company *inter alia* will be to carry on business of spinning and weaving and manufacturing and dealing in cotton, silk, wool, or other fibrous substances and the preparation of dyeing and coloring of any of the said substances and the sale of yarn, wool, silk cloth or other manufacture of fibrous products.
